RELEASE NO. 10, SEPTEMBER 2009

PREFACE TO THE THIRD EDITION

The Third Edition of this text, which first appeared in 1988, has been totally revised once again to reflect significant changes wrought in the Washington guardianship statutes in amendments enacted not only in 1995, but again in 1996. The suggested forms have also been revised to reflect these important changes.

My special thanks to all of my colleagues who have made valuable suggestions on prior editions of the text, and to the state legislature, whose frequent revisions of the guardianship statutes have made Washington one of the more progressive states in this field of law, and have helped make the Third Edition possible.

Gerald B. Treacy, Jr. April 1997
